About Our Gluten Free Menu

We use a gluten free fryer and grill and select gluten free products. Our soy sauce for our marinades and stir-frys is gluten free and we use a special blend of gluten free flours and seasonings for our seafood breading. Our brownies are baked from scratch with cocoa and gluten free flour. And, two thirds of our menu is or can be prepared *Gf!*

We regret that we cannot guarantee the possibility of cross-contamination.

Everything is prepared to order. Relax & Enjoy!

We use only 100% real butter and no hydrogenated oils!

18% gratuity will be added to parties of 5 or more.

*Consuming raw and undercooked seafood and beef may increase your risk of food borne illness. These items are cooked to order.
